Stand Out and Serve Savory Specials this September with Sunrise

Every customer has their own unique taste preference. Sweet or salty, hot or cold, spicy or mild – the list goes on. Offering a mix of flavors that can satisfy different palates is crucial in capturing the interest of today’s customer.

From adding a salty punch to a morning piece of avocado toast to baking the best garlic bread in town, Sunrise is your partner to showcase flavor-forward favorites. Less is more with these strong tastes – just a tiny pinch of garlic powder or a light drizzle of soy sauce is all you need to revolutionize any menu item.

Adding an innovative ethnic special or sprucing up an existing customer favorite has never been easier...contact your Sunrise sales rep today to see for yourself! Or text us at 323.894.7850.
